## SELECTMEN'S REPORT

The members of the Board of Selectmen met in the Town Hall office weekly on Tuesday evenings and in extra scheduled meetings in the performance of their duties and to review matters with those who came in for assistance pertaining to their problems. Many hours were spent in the field appraising properties, supervising highway and bridge maintenance and construction and in checking on various complaints of property owners.

By vote of the 1972 Annual Meeting the Selectmen were instructed to pursue further the matter of the cost of the proposed Bog Bridge project and, following added study, then to report the findings to citizens at a duly called Public Hearing, to take place prior to any agreement with the N.H. State Department of Public Works and Highways to construct a joint State and Town new Bog Bridge. The mandate of the Annual Meeting was carried out and the Public Hearing held and the Hearing approved the Selectmen's findings. The three Selectmen attended the opening of bids meeting in Concord, at which time the contract to build the bridge was awarded to John Jurta, Jr., contractor, the lowest bidder. The bid was \$32,562.50 plus State engineering and contingency costs of \$3,256.25, totaling \$35,818.75. The Town's share of the bridge cost was \$7,163.75. State officials, representatives of the contractor, and the Selectmen met at the bridge following its completion for its approval and acceptance.

The Federal Revenue Sharing bill have been enacted, a new source of revenue is available to states, cities, towns, Indian tribes and Alaskan native villages. Quarterly payments are received by the Town of Danbury and are deposited in a special account in the savings bank. The initial payments received are recorded in the 1972 report of the Town Treasurer. Expenditures, to be made only on approval

of the voters at the Annual Town Meeting, are restricted to the following "priority" areas: public safety; environmental protection; public transportation; health; recreation; libraries; social services for the poor and aged; and, financial administration and capital expenditures authorized by law.

Following a study of truck models and specifications submitted by numerous truck dealerships the "specs" were mailed to the auto dealers for bids. The purchase of the Town's new Ford highway dump truck was from the lowest bidder, Fred's Auto Service, Inc., Bristol. The much needed vehicle is pressed into heavy duty hauling gravel and spreading sand, as well as carrying its share of snow plowing.

Board members attended conferences in Swanzy and Concord, sponsored by the New Hampshire Municipal Association, for being briefed on new developments in State, City and Town government. A vital information source for your Selectmen on Revenue Sharing matters was the meeting in Concord recently. The Selectmen are well aware of the restricted purposes for which they can spend Revenue Sharing monies.

After careful consideration of Town needs, the Selectmen have suggested in several Warrant articles some of the chief areas they deem best for using this extra revenue. Please study these Warrant articles, and all the others, and be ready to take action on them at the Annual Town Meeting, Tuesday, March 6, 1973.

Respectfully submitted,

REV. CARL A. SEAWARD, *Chairman*  
FORREST W. POWERS  
DONALD J. COOK .

Having received so many gifts of books this year we were able to keep our purchase of books low, thereby leaving a surplus of funds to be applied toward needed repairs.

Operating costs were more this year due to an increased minimum charge for electricity, and during January and February the gas heat was kept on low. However, it proved to be too costly so now the heat is turned on only on the days the library is open.

Respectfully submitted,

## DANBURY VOLUNTEER FIRE DEPARTMENT

### Fire Commissioners' Report

It is 25 years since the Danbury Fire Department was organized in 1947. Very much has been accomplished over this period, by the hard work and long hours put in by the boys in the Department, and by the public and taxpayers who have been so loyal to us by purchasing the monthly drawing tickets, and by their support of our gun raffle and annual supper. The proceeds from these revenues have helped to improve the Department and we have not had to ask for additional money from the taxpayers.

This year we added a new addition to the fire house which we needed, in order to keep all the equipment under cover. The shell was put out for contract as we did not feel that the boys in the Department would have enough time to accomplish the work on such a large building. The inside of the building will be finished off by the boys in the Department.

This year we secured an army surplus truck through Civil Defense on which we have mounted a tank carrying 1,800 gallons of water. This tank along with our 600 gal. tank truck will be of great value in sections of town where water supply is limited. We also have three man-made ponds in Town which are of advantage to the Fire Department. One in South Danbury on the property of Mr. and Mrs. Everett Heath, equipped with a Dry Hydrant so the Department can make a fast hookup. One above the Village on the property of the late Donald Metcalfe also with a Dry Hydrant. On North Road, Dr. P. T. McIlroy has a pond and in the spring will install a Dry Hydrant available to the Fire Department.

The Department extends its sincere thanks and appreciation to the late Miss Hazel Ford for her very generous gift of the property adjoining the present Firehouse to be used for Fire Department use only. With this property we

were able to extend our new addition plus parking space. Also to Mr. and Mrs. Ruel Ford for their donation to the building fund and to Mr. John Knott who has helped to make our gun drawing a success by making our Rifles since 1957.

This year we are again asking for the sum of \$600.00 to help meet the expenses of the Department.

Hoping this will meet with your approval, and again many thanks for your loyal support.

## FOREST FIRE WARDEN'S REPORT

We of the Forest Fire Department wish to extend thanks to the people of our town and all our visitors, one and all, for excellent co-operation during the past year. 1972 goes down as another banner year without any major fires in our community.

### Fire Permits

A fire permit is required for all outdoor fires in or near woodland anytime the ground is not covered with snow. This includes household waste burning, even if in an incinerator, grass burning, garden trash as well as brush burning. (Such burning is restricted by regulation to be prior to 9:00 A.M. and after 5:00 P.M.) In the past year we have noticed a downhill trend in people who are not asking for incinerator permits. We are asking townspeople and our out of town visitors to help cut down the risk of spreading fires by giving their full co-operation in obedience to the regulations. Once we let down our guard in protection against fires is when they get started and become a fire hazard.

Anyone desiring to burn rubbish in an incinerator is required to have the incinerator approved by the State standards with a wire covering at all times while burning. Sand or gravel is to be spread around it, and *you are required to get a permit.*

**DON'T FORGET** – In case of fire call

## DISTRICT CHIEF'S REPORT

In New Hampshire, forest fire control is a cooperative State-town program. The Town Forest Fire Warden, appointed by the Director, Division of Resources Development upon recommendation of the Selectmen and the State's District Forest Fire Chief is responsible for fire suppression and other related duties. The State shares equally with the town in the cost of most forest fires, except illegal and careless fires, which are charged to the responsible party. The State further provides fire detection services, prevention programs, fire training for town wardens and crew, and back up equipment for fire suppression.

By authority of the State, the Town Forest Fire Warden controls all outside burning in his town except backyard cooking fires. Any person wishing to kindle a fire when the ground is not covered with snow must obtain a fire permit, free of cost, from the Town Forest Fire Warden. No permits will be issued for fires between 9:00 A. M. and 5:00 P. M., unless it is raining, except for commercial purposes

Please be careful when using fire, remember it can be an extremely useful tool when under control but once allowed to run wild it can become a disastrous and devastating force. Only you can prevent a forest fire.

**Number of fires reported and acres burned - 1972 season:**

State	-	410 fires	361 acres burned
District	-	33	10 2/3

## REPORT OF CONSTABLE SERVICES

### Lawrence Curren, Police Officer

Following is partial breakdown of Police work for 1972.

- 41 Breaks with larceny and vandalism. 39 solved. 2 pending court action.
- 59 Accidents. Auto.
- 18 Court cases.
- 2 Fatal accidents. Auto.  
Dogs (Too many!)
- 51 Private calls. Divorces, child abuse, prowlers, etc.
- 1 Incest.
- 3 DWI.
- 2 Driving after drinking. License suspensions - 30 days.

There are numerous other complaints including: dump violations, snowmobile complaints, welfare cases, assists to other departments. Motor vehicle warnings, traffic duty, restraining orders on dogs, hospital runs, emergencies, and all the minor motor vehicle violations - too numerous to mention.

As per monthly reports:

January	34 hours
February	29 hours
March	31 hours
April	25 hours
May	32 hours

June	76 hours	
July	53 hours	
August	47 hours	
September	19 hours	
October	42 hours	
November	44 hours	
<hr/>		
	432 hours @ \$2.00	\$864.00
	Changing tires	6.00
	2 wheels - extras	2.50
		<hr/>
	Total	\$872.50

I can truthfully say I have had nothing but the best co operation from the Selectmen's office this year. Without this I would have had a rough time. I tried to keep them well informed about problems relating to the Town and they went along with it.

## DANBURY PLANNING BOARD

It was an active year for the Planning Board in which members met with developers, groups and individuals with land use and development concerns, and made various studies in relation to its responsibilities. Regular meetings were held in the Town Hall on the first Wednesday of March, the second Wednesday of June, September and December and there were several special meetings called by the chairman.

When townspeople desire any information or have questions to ask concerning Planning Board regulations and activities they should consult the Planning Board chairman.

As of July 1, 1972 a new regulation on subdivision of land has been in force, a ruling made by the New Hampshire Water Supply and Pollution Control Commission: namely; any owner who sells five acres or more of *undivided* land does not have to secure N.H. Water Supply and Pollution Control Commission approval of subdivision.

The Planning Board wants the public to know that the New Hampshire Highway and Safety Department has ruled that Class VI abandoned roads do not have to be reopened, improved or maintained by the Town if no Town money has been spent on the abandoned roads for five consecutive years -- for a developer or anyone else. Any owners abutting the old road cannot force the Town to spend any money on the road. However, after the developer has built the road to Planning Board standards the Town, by vote of the Annual Meeting, could open and maintain an abandoned road. The Town, not the Board of Selectmen or the Planning Board, is the authorized power that decides whether it is feasible or

not to reopen and maintain an abandoned Class VI road.

Your officers, who appreciate your support of Planning Board activities in 1972, are as follows:

	<i>Term Expires</i>
John Knott, Chairman	1976
Ray Russell	1972
Andrew Phelps	1971
John Ford (resigned 12/2/72)	1974
Phyllis Taylor, Secretary	1975
Gertrude Mauch	1977

## KEARSARGE VISITING NURSE ASSOCIATION

### New London Hospital

December 31, 1972

### Nurse's Annual Report

This is the second full year the Kearsarge Visiting Nurse Association has provided nursing care services and physical therapy to Bradford, Danbury, New London, Springfield, Sutton, Warner and Wilmot, with Andover joining April, 1972.

Mrs. Lois Spearman, R.N., visiting nurse, made 1043 visits, traveling 11,800 miles during 1972. 85 of these visits were calls in Danbury homes.

653 visits were for a conference with a family or individual for education or guidance. This includes assistance in the obtaining and use of auxiliary equipment, pre-natal and newborn care, disease prevention to the well adult, follow-up of the handicapped and mentally retarded. Communication and referrals are constantly made with welfare, nursing homes, mental health clinics, hospitals, physicians, police, alcohol and drug abuse program, social workers, selectmen, and schools.

There is *no charge* for these visits.

10 immunization clinics were held in New London and Warner with no charge to the individual. Totals: 616 immunizations were given to 392 children. The following vaccines were available: DPT, tetanus, polio, smallpox, measles and rubella. Transportation to immunization clinics is available by contacting Nancy Sarno, phone 768-2971, or Patricia Nikin, 768-5261.

390 visits for skilled nursing care, which includes care

of urinary catheters, colostomies, dressings, heart and lung exams, blood pressure check, injections, medication supervision, foot and nail care, etc. Physical therapy was also provided in the home, mainly to stroke patients.

These visits are ordered by the physician and there is no fee.

*Regardless of ability to pay, service is provided.* The agency is sometimes reimbursed by Medicare, Medicaid, Cancer Society, and other insurances.

Referrals and cases are received from various sources such as: patient himself, family, neighbor, friend, hospital, physician, welfare, police, churches, other VNA's and organizations.

Town appropriations (on a per capita basis) and contributions are necessary to provide the no charge visits, clinics, and services to the patients unable to pay.

We appreciate all the donations of clothes, medical equipment and other items we have received which have assisted us in starting a loan closet for our patients.

We look forward to increasing our services next year so that we may provide health care to a greater number of area residents.

The valuable health services rendered by the Association speak for themselves. As Danbury's members of the Board of Directors, we heartily recommend the continuous participation of the Town of Danbury in the Kearsarge Visiting Nurse Association.
